

MY DOMINICAN REPUBLIC TRIP

MY DOMINICAN TRIPS, ALL SIX OF THEM
HAVE BEEN LIFE CHANGING TRIPS.

The children in the DR are so loving. They have nothing to their names but their very big hearts, which they give freely to everyone. When I am working with them, holding them or playing with them, I feel God's presence all around me. These mission trips make me want to serve others, they give me perspective on life, and they reinforce in my heart that God's hand is leading me and protecting us all. I can't wait to get back to my little children in the DR.
