

My name is Katlin Geysen, and I have been so blessed to be able to go to the Dominican Republic for four years in a row. I absolutely fell in love with the kids in the Mata Gorda Preschool that I have been working at. I have seen many of the kids grow up as they go through the school. I almost didn't go back this year but thinking about not seeing their faces tore me up inside. I am so excited that I was able to work with these kids and make an impact on their lives because I know they have definitely impacted mine. I have learned so much from them. I currently sponsor a little girl named Yinelvy and I hope to one day adopt a little girl from the Dominican Republic.
